- Units of Krakow Museum – you must definitely take a look:

<https://muzeumkrakowa.pl/en/branches>

- Wawel Castle

<https://wawel.krakow.pl/en>

- Kazimierz – Jewish District with almost 7 synagogues open daily from Monday till Friday noon.

- Schindler Factory – a place where the German factory (enamel pots) owner Oscar Schindler had saved 1200 Jews from the later inevitable death of nazi hands.

- Czartoryski Gallery with one of the most amazing paintings of Leonardo da Vinci is just a few steps from the main Market Square which is one of the largest markets in Europe. The history of the Market Square dates back to the thirteenth century.

# VISITING KRAKOW

---

·There are also worldwide known places such as Auschwitz Concentration Camp, where horrific war crimes and genocide took no less than 1.300.000 people – mostly Jews. Auschwitz – this can be booked even at the airport or in various spots in the Old Town. Booking must be in advance of at least a month due to overbooking the tickets for this season.

<http://www.auschwitz.org/en/>

· Another worth seeing place due to its unique character is Wieliczka Salt Mine – located nearby. You can reach this place within 30' not taking in account traffic hours -14-18.
