

Guided Visits – Practical Information

All guided visits will depart from the **IRCCS Saint John of God Clinical Research Centre**, where the scientific seminar will take place and will start at **15:00** at the venue, except for Cascina Clarabella.

Conference venue & departure point

IRCCS Saint John of God Clinical Research Centre
Via Pilastroni 4, 25125 Brescia, Italy

Participants will choose **one** of the following site visits

1. IRCCS Saint John of God Clinical Research Centre

Via Pilastroni 4, 25125 Brescia

An internationally recognised psychiatric research hospital integrating clinical care, psychiatric rehabilitation, and research.

Getting there:

No transfer is required. The guided visit will take place directly within the conference venue after the scientific sessions.

2. Cascina Clarabella

Via Enrico Mattei snc, 25040 Corte Franca (BS)

Maximum number of participants: 15

Contact person: Sofia Faccincani

A recovery-oriented social cooperative promoting supported employment, social inclusion, and independent living.

How to get there

Participants should travel independently from the **IRCCS Saint John of God Clinical Research Centre to Brescia Railway Station**

and take one of the following trains to **Iseo Railway Station**:

- **14:46 – S train** from Brescia to Iseo
- **15:06 – R train** from Brescia to Iseo

Transfer from Iseo Railway Station

A member of the **Cascina Clarabella team** will meet participants at **Iseo Railway Station** at **about 15:30** and provide a **minibus transfer to Cascina Clarabella**.

Please do not travel directly from Iseo Station to Cascina Clarabella, as the minibus transfer from the station has been arranged for participants.

3. CRA – Comunità Riabilitativa ad Alta Assistenza

 **Via Palermo 16, Brescia**

Contact person: Alessandra Mosca, Stefano Barlati

Maximum number of participants: 10

A residential psychiatric rehabilitation service providing high-intensity rehabilitation and support to people with severe mental health conditions, with individualised programmes aimed at improving psychosocial functioning and autonomy.

From the IRCCS:

The CRA is located in the southern part of Brescia and can be easily reached from the IRCCS by car or organised transport.

 Approximately **10–15 minutes by car/taxi**, depending on traffic.

5. CoLab – Torre Cimabue

 **Via Giovanni Cimabue 18, 25134 Brescia**
Torre Cimabue – 1st floor

Maximum number of participants: 20

Contact person: Gianpaolo Scarsato, Ilaria Liscidini

An innovative community mental health and recovery hub where professionals, people with lived experience, families, and the local community work together to promote empowerment, co-production, social inclusion, and mental health awareness.

From the IRCCS:

 Approximately **15–20 minutes by car**, depending on traffic.

CoLab is located in the **San Polo district**, in the eastern part of Brescia, on the first floor of Torre Cimabue.

Transfers

Participants will meet at the **IRCCS Saint John of God Clinical Research Centre** after the scientific session and will be directed to the transport arranged for their selected site visit.

Please make sure that you have selected your preferred visit during registration, as **places may be limited for some destinations**.

Participants visiting the **IRCCS** will remain at the conference venue and will not require transportation.
